Nylon Muzzles

J0169 series nylon muzzles and J0170 series cat bags are 10% off in April

Nylon Muzzle JorVet has an expanded line of high-quality water resistant nylon muzzles that have a side easy-release snap buckle. Available in a variety of sizes.

Features:

Safety. Muzzles fit securely with adjusting straps for a snug fit.

Comfort. Lightweight nylon feels and looks more professional than gauze roll.

Quality. Reinforced stitching to assure long-lasting use.

Feline Restraint Bags. These nylon bags are designed for proper restraint of fractious cats. They offer a 2-way zipper running full length over back for either front or rear access. Comes equipped with a quick-close velcro collar and front leg openings. Pull-tab zipper flap provides quick, fur-free closure. Washable/waterproof.

Capillary Tube End Caps

These end caps fit on any microhematocrit tubes and allow it to freely stand upright versus lying flat on a countertop. Light blue color. Rubber. 100pk.

J0545C Capillary Tube End Caps

Dist \$15.00

List \$20.25

SAFE CAP®

Self sealing microhematocrit capillary tubes

No more sealing clay blowouts and lost samples!

This microhematocrit tube has one end with a factory installed plug that seals closed when contacting blood. Triple MYLAR® wrapped for safety.

This eliminates

- Normal fingertip contact with blood
- Use of contaminated clay sealants
- Use of glass and possible injury

1. Fill: Factory installed plug has channel allowing air to escape while filling the tube.

2. Hold Vertical: Channel seals automatically when blood touches plug

100 tubes 75 mm length Mylar Wrap
